

New England Chapter Pennsylvania Railroad Technical & Historical Society

The New England Chapter is a non-profit organization dedicated to the study and preservation of the Pennsylvania Railroad (1846-1968) and the fellowship of its members. It was formed in August 2004 to serve Pennsy fans in all six New England states. We welcome members from everywhere with a love and respect for the Standard Railroad of the World. Membership in the Pennsylvania Railroad Technical & Historical Society is not required for membership in the chapter, but we strongly encourage it. The quarterly *Keystone* magazine is worth the price of admission.

The East Wind

Our minimum 28-page quarterly electronic full-color magazine, *The East Wind*, is included with your membership. Back issues are available for sale online. Please visit our web site.

Chapter Meetings and Activities

During non-Covid times, we hold quarterly official membership meetings at different locations in the region to *share the distance*. The Chapter sponsors additional

activities such as home layout visits, group railfan trips, and other events between meetings. Visit our web site. Go to <https://prrths-ne.org>.

Membership and Annual Dues

Our memberships are based on a calendar year, but you can join anytime. Dues are only \$15. Join between October 1, 2020 and September 30, 2021 and you'll receive the autumn 2020 issue of *The East Wind* and all four regular 2021 issues for 2021. Renewals are due by December 31 each year.

Your dues support web, email, mailing, and copying expenses for the club and contribute toward donations to non-profit PRR preservation organizations and projects. Anyone living or traveling through New England is welcome to come to our meetings and check us out.
